

ECO STAR SUPER GRAFFITI REMOVER

An all natural, solvent degreaser for extremely heavy duty soils. It contains no petroleum or chlorinated solvents. 100% active — a blend of dipentene and detergent. It quickly penetrates and dissolves grease, oil, dirt, cosmoline, gum, rubber marks, carbon, creosote, and inks.

TO USERS in CALIFORNIA (does not comply with South Coast AQMD VOC regulations) and OTC STATES, SUPER GRAFFITI REMOVER MUST be diluted 1 part product with no less than 24 parts water prior to use to meet 4% VOC for use as a general purpose degreaser.

DIRECTIONS

Removing gum: Dilute 1 part cleaner with 2 parts water. Apply diluted product, allow product to penetrate soil. Agitate, wipe or rinse away soil. When using pressure washer, dilute 24:1.

Degreasing: For general cleaning and degreasing use 4 ounces to a gallon of water. Let stand for several minutes then rinse thoroughly. When using pressure washer, dilute 24:1.

This product is designed for industrial and institutional use by trained maintenance personnel. All directions and precautions must be followed exactly.

SAFETY

Avoid contact with eyes, skin, and mucous membranes. Wear appropriate protective equipment.

WARNING

FLAMMABLE LIQUID. May cause irritation to eyes & skin. May be harmful or fatal if swallowed. Keep away from sparks and open flame.

INGREDIENTS

CONTAINS: Dipentene (CAS #68956-56-9) and Alkyl Phenol Ethoxylate (CAS #260027-38-2).

KEEP OUT OF REACH OF CHILDREN

FIRST AID

For skin contact: Wash with soap and water for several minutes. If irritation persists, seek immediate medical attention. **For eye contact:** Immediately flush eyes with water. Remove any contact lenses. Hold eyelids apart to ensure complete rinsing of the entire surface of the eye with water. Continue flushing with plenty of water for at least 15 minutes. Seek immediate medical attention. **If inhaled:** Remove to fresh air. If not breathing, give artificial respiration. If breathing is difficult, give oxygen. Seek immediate medical attention. **If swallowed:** Do NOT induce vomiting unless directed to do so by medical personnel. Never give anything by mouth to an unconscious person. Seek immediate medical attention.

See Material Safety Data Sheet (MSDS) for more information.
